**Subject:** Outcome notification: IEEE CIS travel grant for IJCNN 2023

**\*\*External Sender\*\***

Dear Giorgio L. Morales Luna,

Congratulations! Your grant application for in-person participation in IJCNN 2023 has been approved by IEEE Computational Intelligence Society (CIS).

The approved grant amount is US\$1000. To receive it, your attendance in the conference *as a registered participant* will be confirmed on-site by either Ms. Jo-Ellen Snyder from CIS or a nominated delegate. We will send more information prior to the conference for the contact point. Subsequently, the instructions for digital reimbursement will be sent to you via email.

Please ensure you bring a valid ID to claim the grant. In addition, please note that your IEEE CIS membership must be active during the conference for the grant to proceed.

Also note that as advertised on the conference website, only one (out of CIS and INNS) grant can be availed by a successful candidate. This will be verified during disbursement of the grants.

For further questions regarding the grant, please contact me at [h.singh@adfa.edu.au](mailto:h.singh@adfa.edu.au) or Ms. Jo-Ellen Snyder ([j.e.snyder@ieee.org](mailto:j.e.snyder@ieee.org)).

Thank you for being a member of IEEE CIS and contributing to its activities. We wish you a great time at IJCNN 2023 in Gold Coast, Australia.

Best regards,

Hemant Singh  
Chair of Travel Grant Subcommittee at IEEE CIS
